

# Maple Grove Township Master Plan Open House - Sunday January 26th

## HELP CONFIRM THE FUTURE DIRECTION OF MAPLE GROVE TOWNSHIP

**Do you like what is being proposed for your community?**

The Planning Commission is hosting an Open House to hear from residents about the Township's future land use. Results of the 2023 Master Plan survey will be presented. This information guided the development of the Township's first land use plan.

**OPEN HOUSE - SUNDAY JANUARY 26th  
SENIOR CENTER - 10 AM to 1 PM  
4017 PEET ROAD**

The Master Plan has identified actionable goals for implementation over the next 20 years including:

- 1) Retain the Community's Agricultural Character
- 2) Limit Development to Existing Areas
- 3) Expand Economic Development Opportunities
- 4) Improve Nonmotorized Transportation Options
- 5) Address Blight
- 6) Support the Environment
- 7) Support Housing Choice
- 8) Improve Internet Connectivity

**Stations will be set up with maps, graphics, and charts illustrating the draft land use Master Plan. Please come by anytime during the Open House hours to speak with a Planning Commission member.**
